Dies ist ein digitales Exemplar eines Buches, das seit Generationen in den Regalen der Bibliotheken aufbewahrt wurde, bevor es von Google im Rahmen eines Projekts, mit dem die Bücher dieser Welt online verfügbar gemacht werden sollen, sorgfältig gescannt wurde.

Das Buch hat das Urheberrecht überdauert und kann nun öffentlich zugänglich gemacht werden. Ein öffentlich zugängliches Buch ist ein Buch, das niemals Urheberrechten unterlag oder bei dem die Schutzfrist des Urheberrechts abgelaufen ist. Ob ein Buch öffentlich zugänglich ist, kann von Land zu Land unterschiedlich sein. Öffentlich zugängliche Bücher sind unser Tor zur Vergangenheit und stellen ein geschichtliches, kulturelles und wissenschaftliches Vermögen dar, das häufig nur schwierig zu entdecken ist.

Gebrauchsspuren, Anmerkungen und andere Randbemerkungen, die im Originalband enthalten sind, finden sich auch in dieser Datei – eine Erinnerung an die lange Reise, die das Buch vom Verleger zu einer Bibliothek und weiter zu Ihnen hinter sich gebracht hat.

P R E F A C E .

FOLLOWING the precedent of former years the Twenty-third Annual Issue of the BRITISH AND IRISH PRESS GUIDE has been carefully revised, no expense being spared in order to support its reputation as the handiest and readiest for reference, and for the information usually required in regard to the Press of the United Kingdom the most complete and reliable work of its class.

For much of the information the thanks of the Proprietor are due to the publishers who have favoured him by replying to his request for particulars, the few who have failed in this respect being distinguished in the Alphabetical arrangement by a ¶.

In the newspapers are included only such as appear under distinct titles. Many of these are simply reprints of other papers with the heading alone changed, while others have some variation which entitles them to be called localized editions.

The number of periodicals might be greatly increased by adding, as is commonly done, a large number of strictly American magazines and many hundred parish magazines, the latter mostly some well-known monthly localized by the addition of a cover with parochial notices and local advertisements.

It is perhaps necessary to state that throughout the Guide the prefix "bi" signifies "two," not "twice"; consequently a "bi-monthly" is published every *two months*, a "bi-weekly" every *two weeks*.

The thanks of the Proprietor are returned to numerous appreciative friends and to the newspaper proprietors who have kindly assisted to produce a trustworthy guide to the Press of the kingdom.

THE OLDEST EVENING PAPER—Established 1803.

The Globe

ONE PENNY.

Six Editions are published Daily, from One to Seven p.m.

"THE GLOBE" consistently advocates sound constitutional doctrine, and gives an independent support to the great Conservative party. Great energy is manifested to obtain the latest news, and it has always the character of receiving the earliest official intelligence.

Its circulation is very large, and rapidly increasing. In London it is largely sold at all bookstalls, at the principal newsagents, and in the streets. The subscription list is very considerable; and the Paper can also be had from newsagents in the principal towns, and at all important railway stations in the provinces. It is also much read in clubs, hotels, and reading-rooms throughout the United Kingdom and Continental cities.

"THE GLOBE," which, from the reliability and excellence of its news and reports—parliamentary, law and general—its latest telegrams, money market intelligence, &c., has the reputation of being the LEADING as well as the OLDEST EVENING PAPER, has now added to its other features

A Complete Sporting Service.

The SPECIAL EDITION, published at 6.30 p.m., gives the full results of all events, together with the jockeys, weights, next day's programmes, and starting prices of all the horses running, and a SPECIAL DESCRIPTION OF EACH RACE at all the day's race-meetings throughout the kingdom. The latest betting on the course, the entries, weights, and acceptances, programmes, and scratchings for all coming events are also carefully chronicled. Its original matter, in addition to light reading under "Notes of the Day," includes letters from the chief continental cities; and a special feature is the "Turnover" appearing on the front page, written on a social topic by writers who rank among the foremost *litterateurs* of the day.

Special Notice.—By the operation of the Postal Union, "THE GLOBE," being under 2 ozs., can be sent by book post at the minimum rate—one halfpenny; so that the subscription for all parts of the World is now the same as for the United Kingdom, viz.:—

Early Special Edition, published at 4.30 p.m. 9s. 9d. per Quarter.

Special " " " 6.30 p.m. 13s. " "

Country Subscribers can receive either Edition by the first delivery the following day.

"THE GLOBE" will be sent for short periods on a remittance *pro rata* being sent to the Publisher.

The Special Edition on Saturdays *only* (posted in time for delivery in the country on Sunday morning) for ward for 8s. 8d. per annum.

NOTES TO PRECEDING PAGE.

(1) Copies are in the British Museum. Twenty-one numbers issued at Oxford were "Re-printed at London for the use of some Merchants and Gentlemen, who desired them." "Numb. 1" is without date, the first paragraph being headed "Oxon, Nov. 7"—the cause of an erroneous date often given for the first issue: a later paragraph is dated Nov. 14. The second issue is without number, but headed "From Thursday, November 16, to Monday, November 20, 1665," showing that the first issue might have been from the earliest date (*Guernsey*, Oct. 30) to November 16, 1665. One earlier date in the first number is Nov. 4, 1664, the last figure perhaps an error in reprinting. Owing to difference of style, paragraphs of foreign news dated in advance of the day of publication are to be met with in later issues. One interruption to the asserted regularity of the paper's appearance was caused by the Fire of London, when the printer—"Tho. Newcomb over against Baynards Castle in Thames Street"—must have been burnt out, and No. 85 did duty for a week, being dated "From Monday, September 3, to Monday, September 10, 1666."

(2) 1690 is the date often given. The first volume is in the British Museum, Nos. 1 to 3 being too much mutilated for the date to be correctly ascertained, but the fourth number is for Friday, March 10, to Monday, March 13, 1699 (N.S. 1700).

(3) The date commonly given is 1711, but as many copies of an earlier date are in the British Museum, it is assumed from No. 339, for July, 1708, that publication commenced in 1705.

(4) Green's History of Worcester (1796) states that it is conjectured a public paper was established in Worcester about 1690. That date is consequently claimed for this paper; but Green further adds that, whatever may have been printed previous to 1709, the *Worcester Postman*, in June of that year, assumed a regular and orderly appearance in a small folio of six pages, the printer being Stephen Bryan. The earliest copy known to be in existence of the *Worcester Postman* is said to consist of two pages, post folio, with a date in 1710. Volumes for 1712-14 were exhibited at the Caxton Celebration in 1877. In 1722 the paper had become the *Worcester Post or Western Journal*, and later the *Weekly Worcester Journal*, under which title a copy for Friday, March 3, to Friday, March 10, 1726-7, is in the British Museum, its number being 924, agreeing with the date July 1, 1709, for the first issue. In 1729 the paper had become the *Worcester Journal*, and on June 23, 1748, it announced the death of "Stephen Bryan, who near forty years was printer of this paper." About three months before his death Mr. Bryan assigned his business to Mr. Hervey Berrow, whose name was added to the title on Oct. 11, 1758.

(5) Stated to be unnumbered till 1725, when No. 1 was added to the issue for May 1.

(6) For the first eighteen years the numbers were divided into half-yearly volumes. Perhaps the earliest copy in existence is for Jan. 6, 1715-6, vol. vii. One for Nov. 7, 1717, vol. x., was exhibited at the Caxton Celebration, and the earliest copy in the British Museum is vol. xi., No. 21, for Thurs., May 22, 1718—twelve quarto pages, 8½ inches by six. A number for 1719, vol. xiv., is said to be in the Museum of the Philosophical Society of Leicester; one is spoken of for 1723, vol. xxi.; and the British Museum contains vols. xxxi. and xxxii., for 1728, now an octavo of eight pages, 9 inches by 6½. The date of establishment of the present paper is probably 1731, as a copy of the *Lincoln, Rutland, and Stamford Mercury*, for Jan. 9, 1789, says "This paper for upwards of Fifty-seven years has been and continues to be circulated every Friday morning, &c., proving that the *Stamford Mercury* was not looked upon as the original of the present paper. The claim was first made on July 7, 1826, by a new proprietor, when he counted the 36 half-yearly volumes as so many years, and thus added 18 years to the age of the paper.

(7) Much of the pedigree of this paper and its collaterals is shown in the following list of Titular Changes.

(8) 1713 is claimed as the date of establishment. A copy in the British Museum of the *British Chronicle* for March 28, 1771, is No. 34, vol. i.

(9) The date is assumed from an obituary notice of Mr. Wm. Chase in the paper for June 2, 1744, wherein he is said to have "printed the *Norwich Mercury* for about

30 years." The proprietors on Jan. 26, 1884, issued a fac-simile of the paper of Jan. 21-8, 1727, and they have in their possession "an odd copy or two for 1721."

(10) No. 530 is dated March 22, 1722 (published twice a week), and No. 1 of the *Kentish Gazette* is dated April 30 to May 4, 1768. On the following 23rd of July the *Kentish Post* was incorporated, and the paper appeared as the *Kentish Gazette and Canterbury Chronicle*, beginning again as No. 1.

(11) Vol. ii., 1719-20, was in the Caxton Exhibition. The paper was discontinued from 1755 to 1767, a new numbering then being adopted.

(12) 1725 has been given. Volumes for 1729-31 were in the Caxton Exhibition.

(13) The first number was published on May 2, 1720. A copy of the first volume is in the Northampton Free Reference Library.

(14) 1720 has been given. No. 255 is dated Feb. 21, 1727.

(15) A copy of the first number, for July 8, 1723, is in the Bodleian Library, and of this a fac-simile was issued as a supplement to the paper on July 8, 1882.

(16) The *York Courant* was incorporated with the *York Herald*, which started Jan. 2, 1790.

(17) 1720 is frequently given. A copy for July 10, 1739, is No. 76, vol. ii.; and one for March 12, 1744, is No. 372, vol. ix. A copy of the *Salisbury and Winchester Journal* for Sept. 7, 1829, is 5639, following which the number is 56310, and so onwards!

(18) 1719 and 1721 are given. A copy for 1772 is No. 1858.

(19) 1736 is commonly given. The proprietor (1884) says 1737.

(20) 1748 is also given. A copy for Dec. 8, 1804, is No. 2198; pointing to a still later date.

(21) 1745 and 1746 have been given.

(22) Complete file from No. 1.

(23) A volume of the *Oxford Journal* for 1753 was in the Caxton Exhibition. *Jackson's Oxford Journal* for April 3, 1762, is No. 466.

(24) A copy of the *Leeds Intelligencer* for Jan. 2, 1883, says 1751, but in 1866 the date claimed is 1754.

(25) A copy of the *Bath Advertiser* for March 8, 1760, is No. 230, and one of the *Bath Chronicle* for May 7, 1761, is No. 30.

(26) The date commonly given is 1759. No. 1, in the British Museum, is dated Jan. 12, 1760.

(27) This had only reached No. 1319, vol. xxvi., on May 23, 1795.

(28) An earlier date, under a different name, is sometimes given to this paper, but with this title a copy of No. 17, for April 18-21, 1761, is in the British Museum.

(29) 1755 has been given, but a copy for Sept. 10, 1763, is No. 1, and one for March 14, 1776, is No. 88, vol. xliii.—"total number 1639."

(30) 1730 is frequently given.

(31) A copy for Nov. 23, 1775, is No. 761, vol. v. iii. and the title is preceded by "John Ferrar."

(32) This paper expired in 1844, its death being announced in its last number on the 1st of February. Two months later another proprietor started *The Chronicle*. On Feb. 7, 1849, "Waterford" was added by the proprietor to the headings of the inner pages, and a few weeks later it was added to the first page.

(33) This is said to be an error, being the date of the amalgamation of the *Kentish Post* and *Kentish Gazette* (see note 10). However, a copy of the *Kentish Chronicle* for April 28, 1795, is No. 1592.

(34) 1782 and 1789 have been given. The paper was not numbered till June 21, 1792, when it was begun with No. 1024.

(35) A volume for 1772 was in the Caxton Exhibition.

(36) A copy for April 13, 1774, is No. 2 (i.e., for that year). The numbers were reissued as a pocket volume at the end of each year as *Weatherby's Racing Book*.

(37) 1773 is sometimes given. No. 1 is in the British Museum, and dated May 2, 1775.

(38) 1778 is also given.

(39) 1777 and 1779 have been given.

(40) The first number, in the British Museum, speaks of itself as the *Universal Register*, while its heading is "The Daily Universal Register, Printed Logographically, By His Majesty's Patent. Numb. 1, Saturday, January 1, 1786. Price Two-pence Half-penny." The printer is James Fleming. The first number of *The Times* is now exhibited in the British Museum.

⁽⁴¹⁾ This paper is spoken of as having made "many profitable tours one hundred miles round London." For various editions the title at one time was preceded by Middlesex, Hertfordshire, Bedfordshire, Berkshire, Buckinghamshire, Surrey, Hampshire, or Essex.

⁽⁴²⁾ This had only reached No. 996, vol. xx., on Jan. 6, 1830.

⁽⁴³⁾ A *Bristol Weekly Mercury* had an existence much

earlier in the century. A copy for Dec. 1, 1716, is No. 61.

⁽⁴⁴⁾ 1788 is also given.

⁽⁴⁵⁾ No. 6 of *The Observer*, for Jan. 8, 1792, is in the British Museum.

⁽⁴⁶⁾ In 1862 this paper was incorporated with the *Bath Express*, afterwards the *Bath Herald*.

⁽⁴⁷⁾ No. 2 of the *Morning Advertiser*, dated Feb. 10, 1794, is in the British Museum; also *fac simile* of No. 1.

TITULAR CHANGES AND AMALGAMATIONS.

The following list, which deals only with publications which have not completely passed out of existence will afford considerable help in tracing the history of some of the oldest newspapers and periodicals, and greatly assist in a search for many which are otherwise difficult to find owing to some trifling alteration in the leading title.

The date of issue or of change, where ascertained, follows the title; a second title printed in *italic* indicates that the list must be again entered with that title until the new-found one is printed in Roman character, when, if further information is required, reference should be made to the publication in the Alphabetical List, page 1.

When a publication has received a new title, the contraction *bec.* signifies "became"; and when a title has been incorporated, the contraction *inc.* stands for "incorporated with," "amalgamated with," or "merged into."

The Greatest Advertising Medium out of London.

The Glasgow Herald

(ESTABLISHED IN 1782) IS

THE LARGEST AND LEADING
ADVERTISEMENT MEDIUM
OUT OF LONDON.

As evidence of the position and progress of the "HERALD," it may be stated that it publishes many thousands of Advertisements more than any Paper in the United Kingdom, except "THE TIMES" and "THE DAILY TELEGRAPH," each of which it exceeds during several months of the year. The "HERALD" is also above the next highest paper by several hundred columns, representing many thousand single Advertisements.

ITS CIRCULATION

in extent and influence, is one of the most important in the United Kingdom. It is printed by seven of the most rapid Web Printing Machines—the greatest productive power in Scotland. It is published simultaneously in Edinburgh for delivery there and throughout the Eastern Counties as early as the Local Papers as far north as Aberdeen.

With its great Circulation, its Century-old Associations, and First-class standing, the **Glasgow Herald** is unsurpassed as a medium for securing attention to all kinds of Mercantile, Property, Legal, Joint Stock Company, Family, and General Announcements. The remarkable extent to which Advertisers from all quarters use it is an evidence of its superior value.

London Office : 65, Fleet Street. Edinburgh : 16, St. Giles Street.

THE EVENING TIMES

HAS THE GREATEST NATIONAL CIRCULATION

Of any Evening Paper in Scotland.

By the fullest and latest News, &c., it combines in an especial manner attractions for Business Men, the Family Circle, and those interested in Athletics, Sporting, &c., while there is a special column each day devoted to Music and the Drama, the Volunteers, Swimming, Athletics, or Literature and Art, in addition to a column of racy comments, and gossipy items of general interest.

As a Medium for Advertising the *Evening Times* is to be regarded as more on a level with the Morning Papers than is the case with Metropolitan Evening Papers. It is taken home, and read by the family.

Each of its five or more editions contains later and fuller Exchange and Market Quotations, Sporting, Results, &c., than any other Evening Paper in Scotland.

"The Local Government Chronicle" was established in 1855 with the object of furnishing information of a practical character upon essential questions belonging to our local government system, and as a guide to the numerous officials engaged in the administration of the Poor Law and Public Health Acts; and its usefulness is evidenced by the fact that it is now subscribed to by nearly every Local Authority in the kingdom.

It also extensively circulates among the various Hospitals, Asylums, Board Schools, Infirmaries, Reformatories, Prisons, &c., throughout the country, together with a good private connection among people interested in Poor Law matters. It therefore offers an unrivalled channel for the announcements of Contractors and others desirous of supplying Town Halls, Workhouses, Vestries, Infirmaries, Hospitals, Asylums, &c., &c., with articles or inventions suited to the requirements of these and similar institutions, as well as for the insertion of advertisements which address themselves to County Councils, Local Boards, and Sanitary Authorities, especially those relating to sewerage, drainage, water supply, heating, lighting, paving, &c., &c.

The "DERBY MERCURY" has now been established more than a Century and a Half, and has long held the position of a first-class English Provincial Journal. The amount of business entrusted to it during that period is the best proof of the confidence placed in it by Advertisers. The advantages the "MERCURY" offers to Advertisers are unapproached by any other paper in the heart of the Midland District—a fact which has long been fully recognised by the advertising public. It circulates most extensively amongst the Nobility, Gentry, Clergy, Magistrates, Merchants, Solicitors, Estate Agents, Surveyors, Auctioneers, Farmers, and at Hotels, Libraries, News and Reading Rooms, Railway Stations, Schools, Inns, &c., of this and neighbouring Counties.

The Nobility and Gentry, the Agricultural and Commercial Classes of the extensive district through which it circulates, bestow upon the "DERBY MERCURY" a large measure of patronage. As a well-established Family Newspaper, and for the fulness and accuracy of its Reports of all local occurrences, it enjoys a high reputation. It is thus an excellent provincial Medium for Advertising Schools, Philanthropic and Benevolent Institutions, Life and Fire Assurance Notices, Shipping and Emigration Business, Lists of New Books, Tradesmen's Announcements, Sales of Property, &c.

THE MANCHESTER GUARDIAN.

ESTABLISHED 1821. PUBLISHED DAILY. PRICE ONE PENNY.

The "MANCHESTER GUARDIAN" has long enjoyed the reputation of being the most influential of all Provincial Papers. It is acknowledged to have the largest circulation throughout the Manufacturing Districts of Lancashire and Cheshire, one of the most thickly populated districts in the world, containing, exclusive of Liverpool and Birkenhead, over twenty towns of more than 80,000 inhabitants. In the large towns throughout the South-west of Yorkshire it is largely read, and by the issue of a Special Edition for Wales, it has greatly increased its circle of readers in North Wales. In addition, it has a circulation peculiar to itself among the more cultivated classes of Great Britain in every district, and claims with justice to be one of the leading Political Papers in the country. A reference to its columns at any time will show that it contains a far larger number of Mercantile Advertisements of the highest class than any other Newspaper out of London.

SPECIAL TRAIN EXPRESSES.—The Proprietors of the "MANCHESTER GUARDIAN" have made arrangements with the London and North Western Railway Company for two Special Newspaper Trains, one leaving Manchester (Exchange) for Wigan, at 2.25 a.m., and the other leaving London Road for Crewe, at 2.40 a.m. daily. These arrangements place them in communication with trains running North and South which have hitherto only been available for an earlier edition. They are thus in a position to place before all their readers a full record of the latest telegraphic intelligence than has hitherto been practicable.

HERTS AND CAMBS REPORTER AND ROYSTON CROW.

Established 1855. Enlarged May, 1884. Friday Evening. Eight Pages. One Penny. The only paper printed at or within 13 miles of Royston. CIRCULATION CLOSE UPON 4,000 COPIES WEEKLY. One of the papers selected by the Herts Quarter Sessions for the insertion of COUNTY OFFICIAL ADVERTISEMENTS. The HERTS and CAMBS REPORTER has now been established over 30 years, and during that lengthened period, as a high-class family newspaper, it has enjoyed the confidence of the public and the liberal patronage of advertisers. It assiduously maintains the privilege of independent criticism in all local matters which are fully and impartially reported, and being neutral in politics, therefore enjoys the support of all classes. Its constantly increasing circulation in Herts, Cambs, Beds, Hunts, and Essex now extends over an area of 25 miles from north to south, and from east to west in proportion. Local news is regularly given from the following among other places:—Royston, Buntingford, Saffron Walden, Ware, Hitchin, Stevenage, Baldock, Biggleswade, Sandy, St. Neots, Potton, Gamlingay, Caxton, and Cambridge.
For about thirteen miles round Royston, in any direction, there is no other town where a newspaper is published. This large and wealthy agricultural district includes several Public Bodies, the official advertisements of which are regularly sent to the REPORTER. By these advantages, coupled with the peculiar position of Royston, being situate within two counties (Herts and Cambs) and close upon the borders of three other counties, the REPORTER affords to advertisers and others, in many respects, the advantages of a County Paper. Its advertising columns are largely used by auctioneers and others having property to dispose of.

STROUD NEWS AND GLOUCESTERSHIRE ADVERTISER.

Published every Friday Afternoon, Price 1d.; by Post, 1½d.; 10 Pages, 60 Columns. Unionist. Established 1867.

The STROUD NEWS AND GLOUCESTERSHIRE ADVERTISER contains 10 Pages, 60 columns, of carefully-arranged and selected local and general news, which, from its fulness and impartiality, cause this paper to be regarded as the leading and most influential and reliable of any journal in the neighbourhood.

It circulates throughout the county generally, and more extensively in Stroud, Nailsworth, Brimscombe, Bisley, Stonehouse, Eastington, King's Standard, Leonard Stanley, Minchinhampton, Painswick, Chal-ford, Oakridge, Avening, Newnham, Frampton-on-Severn, Dursley, Wotton-under-Edge, Tetbury, Berkeley, Rodborough, Amberley, Littleworth, Wheatonhurst, Gloucester, Cirencester, and Cheltenham. Taking into account the important sphere of its cir-culation, which embraces the Agricultural districts of the county, the Mining neighbourhood of the Forest of Dean, and its central position in the Manufacturing districts where that staple article of trade, the West of England Cloth, is produced, it is by far the best advertising medium.

The NEWS has a larger and more influential cir-culation than any local contemporary, while the superior class of its subscribers, and its constantly-increasing popularity, stamp it as a first-class organ.

The STROUD NEWS AND GLOUCESTERSHIRE ADVERTISER is published every Friday, at the Printing and Publishing Works, George-street, Stroud. Published by the Proprietor, EDWARD HULBERT.
